Principal source: SA 3686; compared with Mus. Vielerley (pp. 130ff.). SA 3686 gives a distinct version; fl = v2 of MV, vn = v1 (except as noted). A later entry in the basso part of this source gives the title "Melancholig et Sanguin." Many readings for slurs, stac. strokes and dots, dynamics, and b.c. figs. are taken from MV.
